

To Whom It May Concern:

We have been a Max I walker customer since 1999, which in itself demonstrates the strong relationship and trust we have with Max I Walker.

The route driver, Bryan truly cares about providing the best service possible and is very much attentive to our needs. He does a great job of getting new employees their uniforms in a timely manner, and resolving any issues that may arise.

We know we can count on the staff at Max I. Walker to provide excellent customer service if and when we need to contact them, in particular our direct contact Curtis is always very responsive to our needs and insures we are taken care of.

Max I Walkers stays in touch with their customer periodically, our rep Mona makes sure there aren't any issues and does a great job making us aware of any products or offers that may be available that might be a benefit to us.

We are highly satisfied with the products and services that Max I. Walker has to offer and strongly recommend Max I. Walker to any business looking for a strong partnership with a trusted vendor.
