Max I. Walker Uniform Rental Service Reference Letter

Certified Transmission has two principles: "The Job Done Right...At The Right Price", and the Golden Rule, meaning we treat our customers like we would want to be treated ourselves. So of course we seek out vendors who do the same.

That is why we have been a satisfied customer of Max I. Walker Uniform Rental Service since 1984, and have no intention of going anywhere else. As a locally owned and operated business, we also enjoy supporting other local family businesses.

Max I. Walker services our uniforms, towels, mats and gloves every week for 350 employees in our Omaha, Council Bluffs and Ft. Dodge locations. Their prices are competitive, and the products are excellent quality. The uniforms they deliver are always neat and clean, and repairs are made in a timely manner. The route reps who make our deliveries are courteous, friendly and reliable. If ever we have questions or concerns, we know we can pick up the phone and reach someone who will quickly get us the answers we need.

We have been very happy with the service and products we receive for almost 25 years now and would highly recommend Max I. Walker to anyone looking for a trustworthy uniform services provider who they can count on to do what they say they will, when they say they will.

Sincerely,
