

To Whom It May Concern:

I am happy to recommend the high-quality services of Max I. Walker Uniform. The Tommy Gate Company has contracted with Max I. Walker since August of 2018 for their uniform rental.

The transaction from our old uniform service company to Walkers was seamless. A crew of four came to our facility and measured each of our 140 employees to guarantee the proper fit. They delivered quality uniforms, on time with reasonable prices.

Max I. Walker is doing an outstanding job for us and I can confidently make this recommendation for your uniform needs.

Sincerely,
