Subject: Letter of Recommendation

To Whom it May Concern,

Our company has been with Max I Walker for over 6 years and have been extremely satisfied with their customer service. Unlike our last uniform company, any issues that our employees may have with their uniforms I know that I can email Scot or Curtis and they get right back to me with what they know or let me know they are looking into it and will get back to me as soon as they can. The same goes with the delivery driver's too, always willing to help with any issues there maybe.

Our employees have also been very satisfied with the uniforms. Majority of our employees that have uniforms are welders, so they are tough on them. Max I Walker has been great in repairing and replacing uniforms that have holes or that are torn.

We also using them for other services including cleaning our mats that we had before we started with them, and supplying us our air fresheners, rags, and denim aprons.

We would recommend Max I Walker for anyone looking for great care and customer service when looking for a full-service uniform company.

Sincerely,

Susan [REDACTED]
